31.05.2022

Opportunities Circle

[Opportunities Circle](#)

The FINCAD Women in Finance Scholarship Program 2022 is open for applications. The scholarship program aims to support brilliant women in finance who want to pursue postgraduate education (master's and Ph.D.). Wish to pursue a professional career in financial asset management, market risk management and derivatives finance, apply now for this [international scholarship!](#)

FINCAD is committed to supporting women in finance in the capital market. They provide scholarships annually. Females from all around the globe are welcome to apply. If you are enrolled in a postgraduate program or Ph.D. in finance, then avail this fully-funded opportunity.

Graduate-level females in the field of finance can get more exposure and manage to calculate fair values and trades. This program enables women to emerge in the area they are interested in and grab what they deserve. Share this opportunity with women in your circle, empower them by sharing opportunities, and help them grow. Female students can also check [KOC University scholarships in Turkey](#) if they want to study in one of the top and most developed European countries.
