## NOTIFICATION

### Notification for creation of ABC ID for the students taking admission to UG course in the sessions 2022-23 and 2023-24

The scheme of ABC ID has been implemented with an objective of digitally archiving the academic records of students in order to ensure hassle free credit transfer and verification of academic records required for higher studies and employment.

It is clear that ABC ID is not only mandatory but is also extremely beneficial for all the stakeholders of higher education. Now that the process has been successfully completed for the students taking admission in the session 2024-25, it has been decided to implement the scheme for the students taking admission in the sessions 2022-23 and 2023-24.

In this regard two methods have been designed, while in the first the colleges can advise their students to create ABC ID and submit those to the colleges and they can subsequently upload the same in bulk in the concerned data sheets through the college portals, the second method enables the students to upload their ABC IDs directly which have to be approved by the concerned colleges for validation as it is done in the process of approval of filled in examination forms.

The process of ABC ID creation has to be completed by 24.04.2025 failing which the students will get deprived of its benefits.

ABC ID is linked only to the non-biometric data of ADHAR so it is extremely easy and convenient to create it.

The following links are being provided by the University for uploading of ABC ID:

- i) Link for uploading by the colleges: Open College portal----- College menu ----- Download the Excel file in CSV format ---- Upload ABC-ID
- ii) Link for direct uploading by the students: Go to [www.cuexam.net](http://www.cuexam.net)--- ABC ID Link with Guidelines for ABC ID link.

A short video for demonstration will be available in the University website [www.cuexam.net](http://www.cuexam.net). Help video for ABC ID (Students)
