Evidence of Success

- About 56% of total number of students enrolled in various skill based programmes & successfully completed the programmes.
- The mentoring system and counseling sessions administered by the College helped the students to tide over the multiple struggles they confronted with.
- The students spent more hours in the library and were positive towards special classes.
- Near about 30% of outgoing students placed in different companies & progressed to higher education.
- The student community responded positively to the various initiatives of the college.

Problems Encountered and Resources Required

- It has been observed that some students, who need counseling or who have been recommended for counseling by the mentors are reluctant for counseling. Hence, counseling cannot be made mandatory.
- Some students have to do part time jobs to support their family therefore they couldn't participate in the college activity.
