Suggestions:-

- 1. Syllabus of Core Courses are huge, it should be reduced (Bengali, Economics, Education, Philosophy & Physics). For Honors course more time is needed to understand the basic concept of the Honours subject. Semester system is scoring but not appropriate for Honours Courses.**
- 2. In General Papers, some specialized & critical units were included. It will be very difficult for the General Students to cope with the syllabus. General Papers should be simpler.**
- 3. For in-depth study , syllabus should be reduced.**
