

7.3: Institutional Distinctiveness

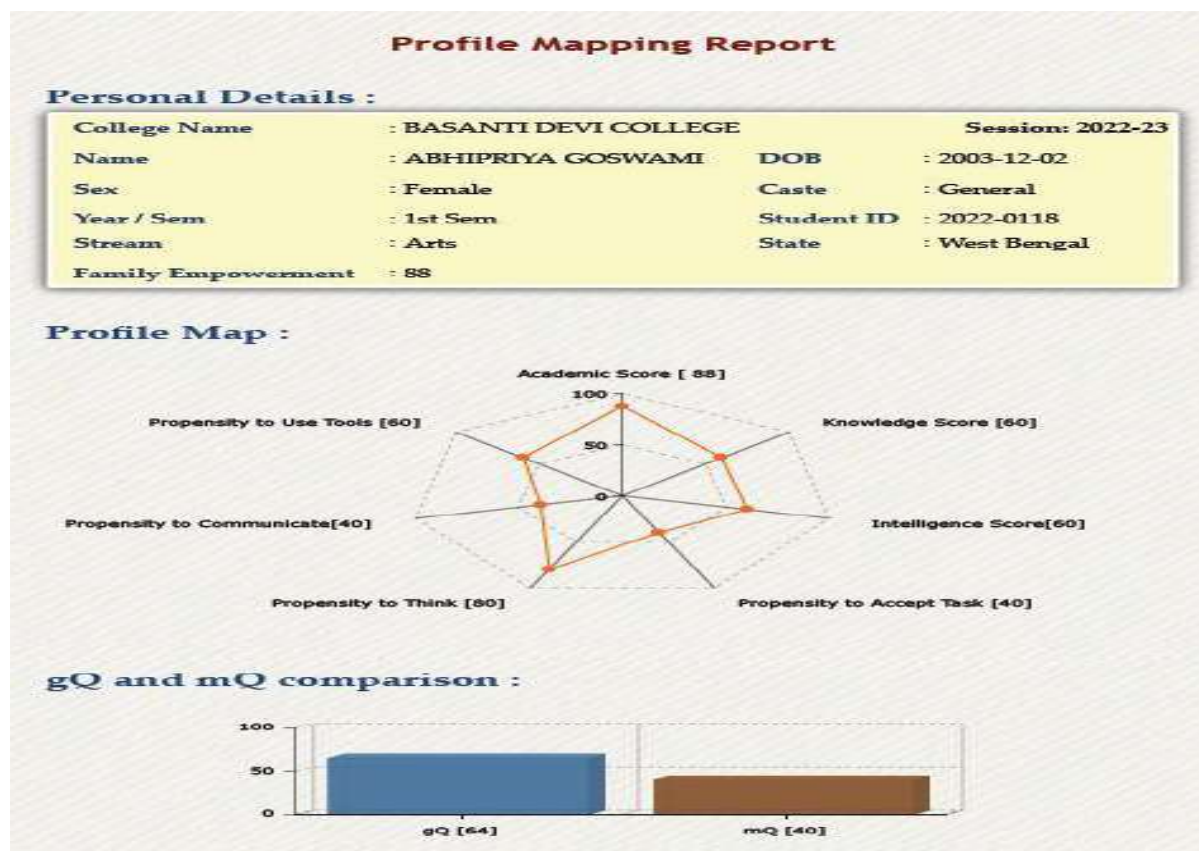

Holistic Development of Women (Nari Shakti)

A. Students' Intellectual Well-Being

The pass percentage of students during last five years(2018-2019to 2022-2023) is 80.42. The percentage of placement of outgoing students and students progressing to Higher Education during last five years is 30.59.

For intellectual well being the following measures are taken by the college:-

1. The IQAC of the College conducts **Student Profile Mapping** with an endeavour to assess the learning capacity of the students.

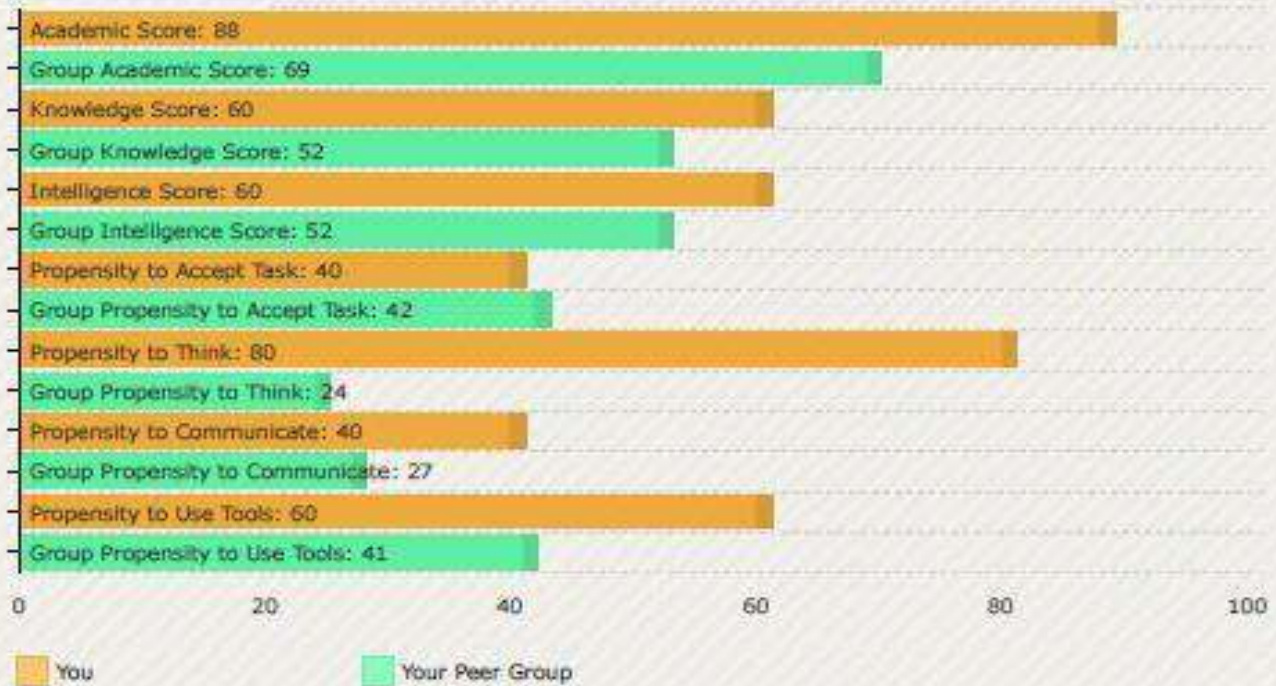

Dr. Indira Guha

Dr. Indira Guha

Basanti Devi College

Your gQ and mQ in comparison to your Peer Group:

How to Appreciate the Profile Map

First look into your

- **Academic Score** – reflects how good you are in your studies
- **Knowledge Score** – reflects how much you know
- **Intelligence Score** – reflects how good you are in solving problems

If these three scores are high your "general quotient" will be satisfactory.

Then try to identify your propensities

- **Propensity to Accept Tasks** – tendency to believe on your own abilities which allows you to accept any task given to you
- **Propensity to Think** – tendency of applying your mind to any given task and seek solutions to such tasks
- **Propensity to Communicate** – tendency to receive other people's thought and also sending your thoughts to other people, in different situations and through diverse media
- **Propensity to Use Tools** – tendency to make use of tools towards fulfilling your functional requirements and be a task enabler

If these four propensities are high your "empowerment quotient" will be satisfactory.

The advertisement features a light blue background with a large illustration on the right showing several colorful books (purple, orange, green, red) standing upright, with a yellow book lying flat in front of them. Small figures of people are interacting with the books. A large white circle with blue clouds is in the background.

An Outline:

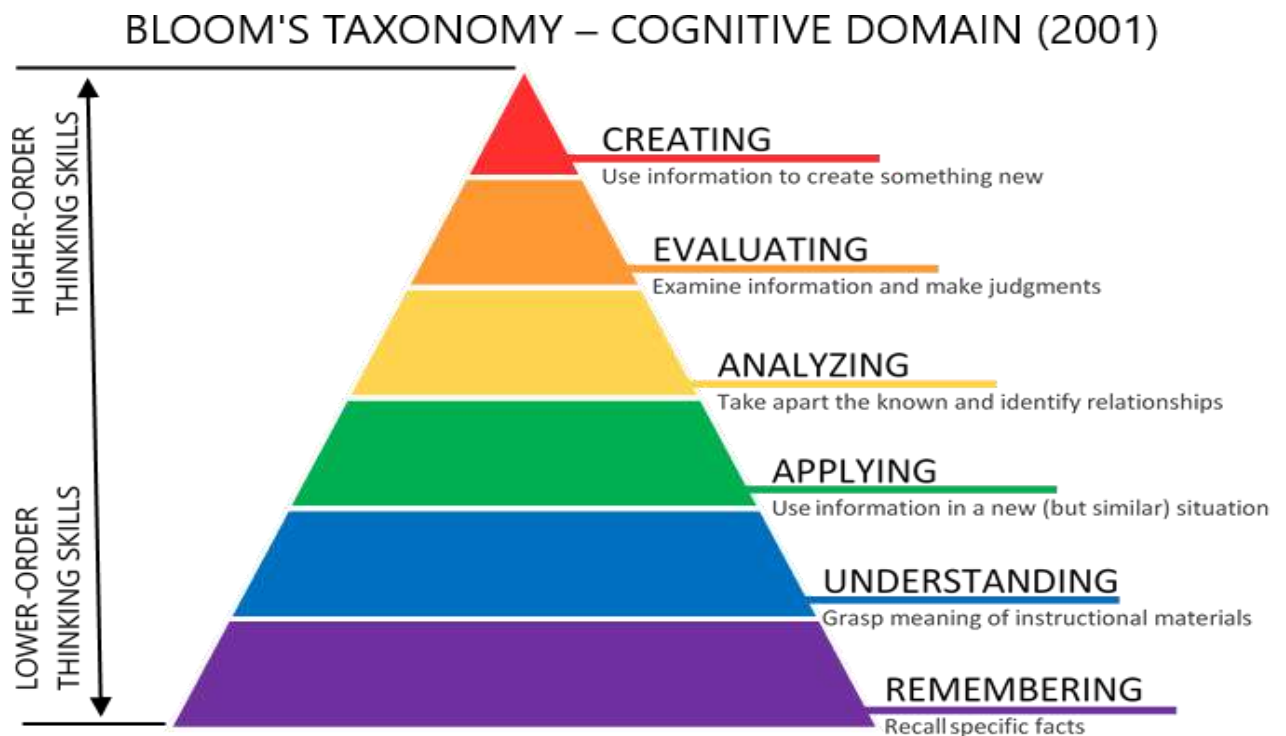

- **What is Literature Review ?**
- **Importance & Role of Literature Review.**
- **How to conduct an effective Literature Review ?**
- **Literature Review: A Building Block in the Introduction.**
- **Structuring a Literature Review Section.**
- **Short-Cuts to a good Literature Review.**

The screenshot shows a Zoom meeting interface. The main content is a presentation slide with a light brown background and a list of bullet points. The Zoom toolbar is visible at the bottom, showing icons for mute, video, chat, and other controls. The video feed of the presenter is partially visible on the left side of the screen.

6. Outcome-Based Education (OBE)

Programme and course outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students.

Basanti Devi College offers 16 Undergraduate and 2 Post graduate programmes. Curriculum offered in the college is prescribed by the University of Calcutta. In strict compliance with the guidelines given by the UGC & University of Calcutta, the objectives of Program Outcomes (POs) and Course Outcomes (COs) are framed by the faculty members under the guidance of the Internal Quality Assurance Cell (IQAC). Learning outcomes are framed on the basis of 6 levels of Revised Bloom's Taxonomy (2001).

Program Outcomes (POs) and Course Outcomes (Cos) for all programmes are displayed on the college website and it can be accessed by all the stakeholders namely Faculty, Students, Alumni & Employers.

Communicating the POs and Cos to the Students

- POs and Cos are outlined during the Common Orientation Program and Departmental Orientation Program respectively on the day of commencement of each academic session.
- POs and Cos are displayed in the departmental Notice Board.
- Hard Copy of the syllabi and Learning Outcomes are available in the Seminar Library of the departments for ready reference.
- The syllabus displayed in the website with the POs and Cos also enables a student to have an overview of the course contents, gather reference materials for the texts prescribed and prepare themselves for the course.

Some direct and indirect methods are followed for evaluating attainment of POs/COs.

Program outcomes and Course Outcomes are mainly achieved through the curriculum delivery and assessment. IQAC has identified a set of assessment measures (Direct & Indirect) to monitor student progress in achieving the outcomes.
