Report of the Program

The Issue of Human Rights in South Asia was seen by Prof.Jena frothe need for a better cordial bilateral relationship in the region of South Asia which can enable to combat the challenges including environmental hazards, poverty, illiteracy, unemployment, refugee issues etc.

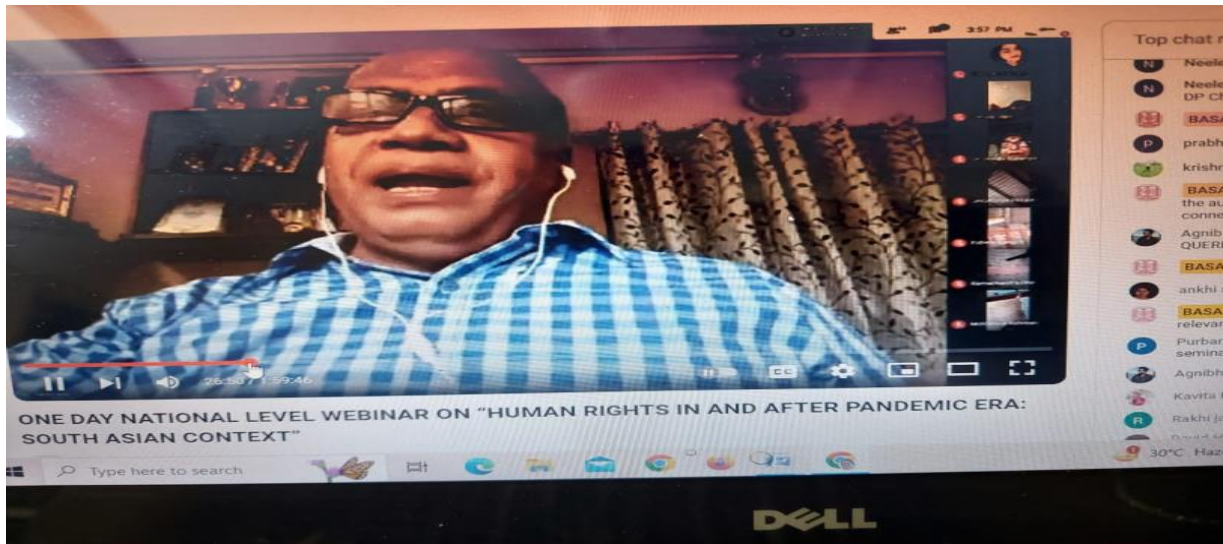

The aged section of the population in India has been more vulnerable in terms of getting affected by Covid-19 exposes challenges on Indian health system. Prof. Chatterjee brought forward how this issue is of immense importance with respect to human rights discourse.

Indrila Guha

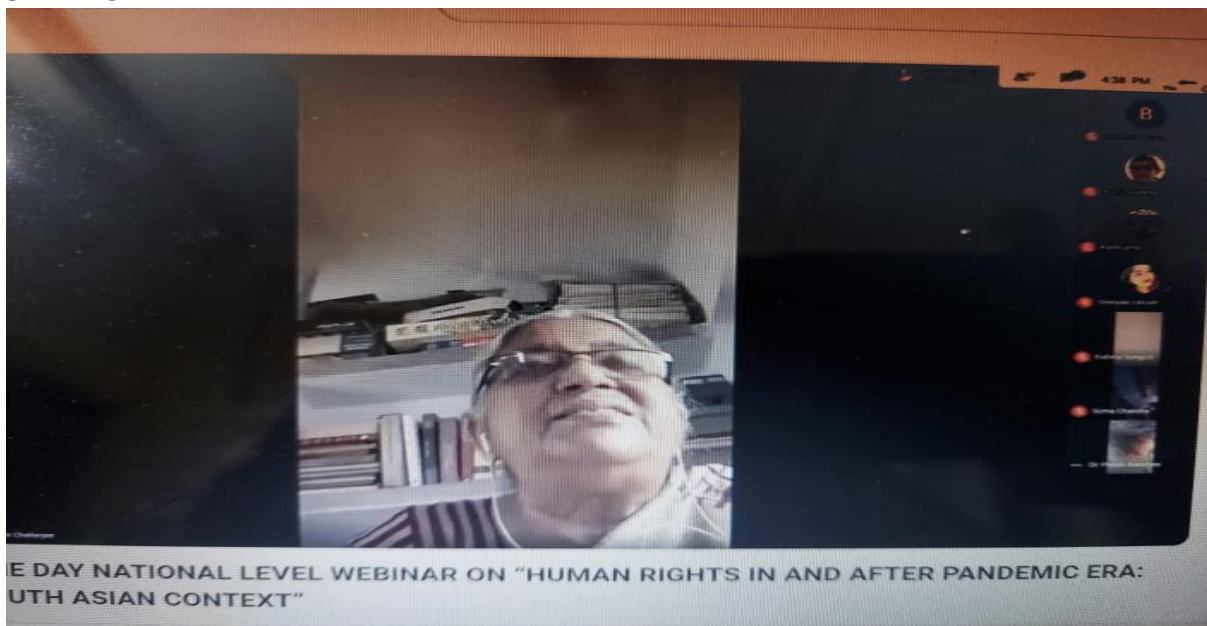

Covid-19 had exposed human vulnerability in socio-economic, political challenges of Indian governance in terms of public policy in all sectors specifically health and education. Prof. specifically laid stress on the need for accountability in policy implementation.
