Report of the Program

This event took place on 10th October 2018 at Basanti Devi College Auditorium in collaboration with the U.G.Board of Studies, Chemistry , Calcutta University. The event was attended by more than 136 faculty members of the department of Chemistry from colleges all over Kolkata and suburbs. The event commenced at 9.30 AM with the registration of candidates and it was followed by the Key-note address delivered by Chairperson of UG Board of Studies at 10 AM. After that panel discussion ensued with two spokesperson from each discipline , namely Organic, Inorganic and Physical Chemistry, after their brief but pertinent deliberations, the session was opened for interaction with the audience . Almost 75 % of the teachers actively engaged in this question- answer session , many **important decisions regarding the modalities of conducting the practical examination of the new CBCS (Choice based credit system)pattern** was taken here.
