### Report of the Program

On April 23, 2022, the Department of Education and IQAC organized a highly informative seminar titled "Writing Research Proposal in Social Science" at the College Auditorium. The seminar aimed to equip participants with the essential skills and knowledge needed for crafting effective research proposals in the field of social science.

Dr. Bijan Sarkar, a distinguished Professor from the Department of Education at the University of Kalyani, served as the resource person for the seminar. Dr. Sarkar, with his extensive expertise in research methodologies and academic writing, delivered a comprehensive and engaging session that addressed various aspects of research proposal writing.
