DESCRIPTION	<p>Rotaract Club of East Calcutta RID 3291 has started a campaign (Oshon 2.0) on 31st May and is still continuing.</p> <p>This campaign was started by the club as a YAAS relief project to serve those hugely affected by the cyclone YAAS that hit West Bengal in the month of May. They have organised community kitchens in some villages of Kultoli and Mousuni areas in the Sundarban regions of West Bengal. The project aims to cater to the basic needs of the people rendered homeless due to the cyclone.</p> <p>Many other clubs have collaborated in this campaign and along with them the Rotaract Club of Basanti Devi College, RID 3291 has also collaborated with them to raise funds for the campaign and serve the affected people in those areas by providing them with ration, clothing, etc.</p>
